This document will be updated regularly as data is made available, so please check back regularly.

Please note that the information provided reflects damaged or destroyed structures in the County of San Bernardino. This data has been confirmed as much as possible, but is subject to updates. Updates to already-published data will be released as it is deemed necessary. The list reflects damage assessments in fire affected areas that are reasonably safe to enter by trained County personnel. Great care was taken to insure that gathering this data did not impede the efforts of emergency response personnel. The gathering of this information was conducted by fire, code enforcement, building and safety, and assessor personnel.

For more information regarding a potential loss or to access other county services, please dial 211 or call 888-435-7565.
